無塑海洋

To Whom It May Concern:

I am taking pictures as a volunteer for a citizen science project being led by Plastic Free Seas (a registered Hong Kong charity), to record the produce packaging in five supermarket brands in Hong Kong.

We are looking at the various types of packaging used on different types of produce, as well the produce which does not have any packaging, to better understand the situation.

Plastic Free Seas will be happy to share the results of the data collection with you after the information has been collated.

We appreciate your assistance to allow the volunteer to take photos for this purpose.

Please get in touch with Dana Winograd at 6012 3613 if you have any questions.

Best regards,

Dana Winograd

敬啟者：

我是無塑海洋（香港註冊慈善機構）的義工，正為他們主辦的公民科學項目拍照，記錄香港五大超市品牌的生果蔬菜包裝。

我們希望研究不同生果蔬菜上使用的各種包裝，以及沒有任何包裝的生果蔬菜，從而更深入了解情況。

在整理好收集到的數據後，無塑料海洋將會很樂意與您分享結果。

我們感謝您的協助，讓我們的義工為此目的拍照。

如有任何疑問，請致電 6012 3613 與 Dana Winograd 聯繫。
